

SECOND PRELIMINARY AMENDMENT

Appln. No. 10/526,117

- 7 -

September 27, 2005

**REMARKS**

Amendment to the Specification

Applicants enclose herewith a substitute specification pursuant to 37 CFR 1.125. A marked-up version of the specification showing matter being deleted in overstrike and matter added underlined is submitted, as well as a version in clean form without markings as to amended material.

Amendment to the Claims

Applicants have amended the claims to better conform to the requirements of U.S. practice.

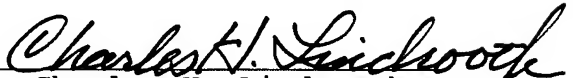

Abstract

Applicants enclose an Abstract on a separate sheet.

Examination and a favorable reply are respectfully requested.

Respectfully submitted,

SYNNESTVEDT & LECHNER LLP
